MDL Marinas' Woolverstone Lodge Park (Suffolk), offers top of the range accommodation alongside its existing marina facilities.

MDL Marinas' ten beautifully crafted new luxury lodges set in 22 acres of tranquil parkland on the banks of the River Orwell provide stunning accommodation and have been consistently ranked more than 9 out of 10 by visiting guests.

Located alongside the existing Woolverstone Marina which offers berthing and boatyard facilities, the new lodges are booked via Hoseasons.co.uk, and rated by REEVO.

"We are very proud of our REEVO rating," says Dean Smith, MDL's commercial director. "The lodges are truly stunning. Each of them is unique but they all offer the same high quality in build and furnishings, plus guests all benefit from the outstanding service delivered by the Woolverstone Marina team. We've built something that reflects the ethos of MDL Marinas, that shows who we are and the care and quality we offer to all our members and guests. And some even feature private hot tubs for starlit nights. Given the reviews it seems we have hit the spot."

Guests over the past seven months have been impressed with not only the 'beautiful lodges and location', the 'spotless' and 'luxurious' accommodation, but also the close access to wildlife including deer, squirrels and 'rabbits scampering around so close to the lodge'. Plus, the fact that dogs are catered for in a couple of the lodges with treats, dishes and towels has been noted as 'a lovely touch'.

Not only is Woolverstone Lodge Park perfectly positioned for holidaying near to friends or family staying at the marina, it's a great place to stay all year round as it also offers easy access to the multiple walking and cycling tracks in the surrounding countryside.

"We realised that family and friends want to get together but that boats don't always have the number of berths to accommodate large gatherings" Dean continues. "Now, Woolverstone Lodge Park is the ideal getaway from the hustle and bustle of modern life and the perfect setting for a family gathering, or a quiet couples retreat. Plus, there is a sailing school onsite, providing the perfect opportunity to learn how to get out on the water."

The lodges can be booked via [Hoseasons](http://Hoseasons.co.uk), and keep an eye out for special offers.
