## News Release

For immediate release  
22<sup>nd</sup> October 2018

### Christmas has come early with winter offers from MDL Marinas

**MDL Marinas is delighted to announce a great package of winter offers across its extensive marina network, offering boat owners excellent quality and great value berthing, dry stack, lifting and storage packages.**

With these winter offers boat owners can put their minds at ease as the nights draw in.

Highlights of the offers include savings of up to 40% on winter scrubs and storage ashore at a number of boatyards including Hythe Marina Village in Southampton and Queen Anne's Battery in Plymouth. Great-value short term berthing is available in the finest UK marinas, including the chance to enjoy three months berthing from just £649 at Shamrock Quay in Southampton, available on boats up to 8m.

"It's very important to keep your boat well maintained, especially during the winter season when it tends to be used less frequently and is most at risk from adverse weather conditions," says Adrien Burnand, MDL's head of marketing.

"Our lifting and storage packages give owners the chance to carry out essential maintenance work and prepare their boat for next season. For those seeking a safe and secure home for their boat during the winter months, our berthing packages give peace of mind with boats looked after around the clock. We're always keen to welcome new members too. Offers like these are a great way to come aboard our network, experience our renowned customer service and get a really good feel about what we offer. Once owners have taken advantage of a winter deal, we're very happy to talk to them about what we can offer year-round."

The full range of winter offers can be found online at [www.mdlmarinas.co.uk/offers](http://www.mdlmarinas.co.uk/offers).
