Have you always wanted to buy a boat but thought that it was out of reach? Well, it no longer has to be. Ancasta has put together a selection of innovative ownership solutions ranging from the traditional route to Shared Ownership, Financed Ownership, and Navigare Yacht and Lifestyle Investment Programs.

**Shared Ownership**

Shared ownership provides all the benefits of owning a yacht and offers superb convenience. The scheme provides regular access to the water but without the hassle of managing ongoing maintenance. Ancasta helps to find partners to share ownership with and manages the process from start to end.

**Financed Ownership**

The Ancasta Purchase Plan provides a flexible marine mortgage from highly knowledgeable, experienced marine finance specialists.

**Navigare Yacht and Lifestyle Investment Programs**

This program allows owners to commercialise their investment, as Navigare Yachting charter the boat when not in use by owners. Owners either receive an income from the yacht charter or finance the rest of the yacht's value with the charter income. The Navigare holiday program offers extensive sailing and holidays to each investor.

Boat ownership is now more accessible than ever and Ancasta is ready to help people turn their ownership dreams into a reality. Find the team at Stand M142 to discuss the flexible boat ownership options on offer.

"With the many different options that we offer, boat ownership is no longer a far-off dream. The reality is we have a solution for you to get afloat," says Scarlett Sykes, Sales Manager, Ownership Solutions. "The first step is to come and see us at the boat show and have a chat to find out more."

Contact Scarlett on +44 (0)7776 649753 to arrange an appointment or visit Ancasta's Ownership Solutions Team on Stand M142 at the Show.
