**Show debuts for Beneteau Power and Prestige Motor Yachts at boot Düsseldorf
International Boat Show 2020**

New models from Beneteau Power and Prestige Motor Yachts are making their show debuts with Ancasta at the 2020 boot Düsseldorf Boat Show (18th – 26th Jan).

Prospective owners will be able to discover the new innovative Swift Trawler 41 from Beneteau. This stylish passage maker has generous living space with an onboard capacity of up to seven passengers. Both the Flybridge and Sedan versions will be making their show debuts and will be available for viewing.

Also making its show debut is the Gran Turismo 32. With this model, the designers at Beneteau Power have created the ideal entry level express cruiser. Optimised to make the best use of every space, it lends itself to usage year-round for a variety of different activities.

Following its launch last year, the new Prestige 420 F will be making its first appearance at boot. This spacious, high-performance flybridge cruiser reflects the core values of the brand and offers light, open living areas and two cabins with separate entrances; a unique achievement on a 42-footer.

In addition, Ancasta is now taking appointments to view the other models in the Beneteau Power and Prestige Motor Yachts ranges including:

Prestige 590 S - Best Boat Awards 2019 – Finalist
