Ancasta ranked as one of the fastest growing private exporters

Ancasta has been ranked in the 11th annual Sunday Times HSBC International Track 200 league table of Britain's fastest growing private exporters.

Coming in at number 53, Ancasta ranks alongside many other rapidly growing brands and household names.

"We are delighted to be included in such a prestigious league table, ranking next to some of the most well-known British brands," says Nick Griffith, Ancasta's Managing Director. "On average our exports have grown 67% over the last two years, over indexing the marine sector as a whole.

"A key growth area is our franchise business, and this looks set to continue. We are currently accepting enquiries from interested parties for Ancasta franchise opportunities in the UK, Europe and further afield."

The Sunday Times HSBC International Track 200 ranks Britain's mid-market private companies with the fastest-growing international sales, measured over their latest two years of available accounts. It is compiled by Fast Track.

The 2020 league table was published last weekend in the Business section of The Sunday Times and can be viewed online at <https://www.fasttrack.co.uk/league-tables/international-track-200/league-table/>
