West Country Boat Show rescheduled to June 2021

The West Country Boat Show, due to take place at MDL's Queen Anne's Battery marina in Plymouth, has been rescheduled for 2021.

The organisers are looking forward to next year and creating an extraordinary show which not only celebrates all that the marine industry has to offer, but also the connections which the marine industry fosters, whether that's in leisure boats, equipment suppliers, wonderful marinas and festival spirit.

"As we all know, boating events this Spring are being cancelled or postponed," says Chris Price, manager of QAB. "And while this is absolutely the right approach, to follow Government rules and help to protect the NHS, we're also very aware of how disappointed our exhibitors will be, and all the people who were looking forward to coming, especially in this Mayflower 400 year. But we're looking to the future and planning to create an even bigger and better show next year. In the meantime, we wish everyone well over the next few weeks and we look forward to welcoming you back to our marinas."

The 2021 West Country Boat Show will take place 19-20 June 2021.
