Ancasta and Sea Ventures head to the Ocean Village Boat Show in September

With many important boat shows cancelled this year, UK dealers are keen to invite clients to an event this autumn.

Ancasta International Boat Sales Ltd and Sea Ventures (UK) Ltd are excited to announce that stock will be available to view from leading brands at the Ocean Village Boat Show, taking place at the MDL marina this September.

This event will be an ideal opportunity to compare and contrast more than 80 new boats in a safe and managed environment. The show will be open between the 11th – 20th September 2020. Entry will be free, but only those pre-registered for tickets will be able to gain access to the show. Tickets will be available online from 3rd August via the MDL Marinas [website](#).

Easily accessible, MDL's Ocean Village Marina delivers a premium destination for potential buyers to view boats, speak to dealers and enjoy dining in the surrounding restaurants and bars.

“With limited opportunities to show our range of boats so far this year, an event this autumn is really very welcome,” says Will Blair, Ancasta Group Marketing Director. “Following a very successful June, we can see that there is definitely an appetite for getting out on the water. The Ocean Village Boat Show is ideal for showcasing our boats to potential new owners in a safe, controlled and focused manner.”

Boats on display include:

Prestige 590 & 520
Beneteau Gran Turismo 32
Beneteau Swift Trawler 35 & 41
Beneteau Oceanis 30.1 & 40.1
