Anyone wishing to sell their boat this year will not find a better opportunity than the Deacons Used Boat Show taking place 11-20 September in Bursledon, Southampton.

The easing of lockdown restrictions coupled with some fantastic weather means the demand for used boats has never been higher. And listing a boat in the show, organised by Whyboats International Yacht Brokers, couldn't be easier.

"It's a great time for anyone who is looking to sell their boat. The market is really buoyant and currently there is a real demand for used boats, both power and sail," says Ian Watkins, Whyboats' director. "Listing your boat for the show is very simple, just give us a call and we'll do the rest. The £150 listing fee is really competitive and includes a whole host of benefits too."

By listing a boat with Whyboats at the Deacons Used Boat Show the seller will not only enjoy a discounted commission rate (5% plus VAT), but will receive a free lift, scrub and block off, one-month free storage ashore followed by 25% off storage ashore until 31<sup>st</sup> December 2020. Another washdown after the first month is also included.

Open daily from 10am - 6pm the Deacons Used Boat Show will showcase the range of used boats to visitors in a covid-secure manner, ensuring both visitors and show staff are safe. Additionally, boats will be thoroughly sanitised each day, giving peace of mind to sellers and potential buyers alike.
