**Beneteau Power and Sail and Lagoon out in force at the Ocean Village Boat Show**

Ancasta International Boat Sales Ltd is presenting an impressive line-up of its power and sail brands at the Ocean Village Boat Show, 11-20 September.

On the power side, visitors to the show will be able to explore the new modern and elegant Beneteau Gran Turismo 32, the ideal entry-level express cruiser. And for those looking for a comfortable, longer range passage maker the Swift Trawler 41 will also be available to view.

For the sailors, there is the European Yacht of the Year in the Family Cruiser category, the Beneteau Oceanis 30.1. This easy-to-handle, spacious and affordable 30ft cruiser will be showcased alongside her big sister the 38.1 and, for the first time in the UK, the more voluminous Beneteau Oceanis 40.1.

The Lagoon 42 and 46 catamarans will also be on display for anyone wanting an effortless sailing experience, combined with luxury onboard living.

“With so many boating events cancelled this year, there’s been few opportunities for people to look round different models and compare and contrast,” says Will Blair, Ancasta Group Marketing Director. “It’s important for potential new owners to get onboard and get a real feel for the boat they’re thinking about purchasing. The Ocean Village Boat Show is ideal for doing just that.”

The show is free to attend for interested parties. Visitors must have a pre- booked appointment to view a boat to access the show so that numbers on the pontoons can be carefully controlled at all times.
