### **Prestige Motor Yachts showcasing three F-Line models at BOATS2020**

Prestige Motor Yachts will be showcasing three of its flybridge models at BOATS2020, 11–20 September in Mayflower Park, Southampton.

The Prestige 590, 520 and 460 will form the lineup, presented by UK dealers Ancasta International Boat Sales, available to view throughout the duration of the 10-days show.

Designed by Garroni, prospective owners will be able to discover the unique interior design concept of the F-Line series, which gives a spacious and light living area for an unparalleled cruising experience.

#### **Prestige 460**

The Prestige 460 features the signature style of the latest Prestige Yachts, with an expanded, continuous line of windows in the hull. The 460 integrates the concept of an L-shaped cockpit, which allows for maximum use of space. Transformable into a very large aft sundeck, the cockpit can also house a fully equipped skipper's cabin.

#### **Prestige 520**

A Best of Boats International 2018 award winner, the Prestige 520 features the XXL Flybridge, unique on a 55ft motor yacht. The spacious and bright saloon includes a large integrated storage locker, and the facing sofas and pivoting cockpit bench seat create a perfect space for entertaining.

#### **Prestige 590**

Form, function and comfort were top of mind when designing the Prestige 590. A generous flybridge and sleek radar arch enhance onboard comfort and promote a powerful look. Unique in her category the 590 offers the option of an independent crew cabin or a large tender garage.

“We’re really pleased to be able to showcase the Prestige range at BOATS2020,” says Will Blair, Ancasta Group Marketing Director. “With very few opportunities to show the stunning Prestige yachts this year, we’re looking forward to welcoming visitors onboard.”

The show will be open between the 11th – 20th September 2020. All tickets must be pre-purchased at [www.boats2020.co.uk](http://www.boats2020.co.uk).
