News Release
For Immediate Release
14th May April 2021

Desty Marine commits to another 10 years at MDL's Hamble Point Marina

Desty Marine International Ltd, one of several long-term tenants at Hamble Point Marina, has completed four new ten-year leases with MDL.

Family-run yacht repair and refit company, Desty Marine, has been an important tenant at Hamble Point Marina for almost 30 years and provides valuable services to MDL's berth holders.

The range of purpose-built units at Hamble Point makes it an ideal location for marine businesses, Desty Marine being no exception.

Neil Desty, Managing Director, confirms "The Hamble is the mecca for yachting, making Hamble Point the ideal location for our business. It's central to everything and offers quick access to and from The Solent, meaning clients are easily able to access our services.

Neil continues "MDL has been really reactive to what we need, delivering solutions to every challenge we've faced as a growing company. From new offices, to greater shed space with roller shutters to accommodate MDL's 75-ton boat hoist, which is invaluable in enabling us to move the larger vessels that we work on. Their service is impeccable, efficient and effective and for these reasons, we have committed to remaining at Hamble Point for the long term."

Richard Broadribb, MDL Property Director, says: "We are delighted that we have been able to support Desty Marine in growing their business and that they have committed to renewing their long-term lease. Our tenants are a very important part of our marinas and their services perfectly combine with the extensive facilities offered to our berth holders and visitors at Hamble Point Marina."

Interested companies requiring modern facilities with adjacent hardstanding should contact the MDL Estates Team on 023 8045 7155 or visit <https://www.mdlmarinas.co.uk/> for more information.
