### **Sanlorenzo, Beneteau and Lagoon make show debuts at SIBS 2021**

Represented by Ancasta International Boat Sales, luxury power and sail brands Sanlorenzo, Beneteau Power and Lagoon Catamarans are making UK and show debuts at the Southampton International Boat Show (SIBS), 10-19 September 2021.

#### **Sanlorenzo SX88**

Making its UK and SIBS show debut, the 27-metre Sanlorenzo SX88 offers an expansive saloon with large floor to ceiling windows affording panoramic views.

Unique to the SX88 is the removal of a helm station from the main deck, which allows the space and flexibility for numerous layout options. The transom design allows for the storage of multiple water toys, converting into a spacious 30m<sup>2</sup> beach club when the toys have been launched.

Powered by three Volvo IPS1050-800HP, the SX88 has a fast-cruising speed of 18-20 knots, with a maximum speed of 23 knots.

#### **Beneteau Gran Turismo 41**

The latest model in Beneteau's express cruiser line, the Gran Turismo 41 with her sporty hull and slender lines is elegant, comfortable, and easy to handle.

From the highly social U-shape saloon and functional outdoor galley to the comfortable relaxation space, everything on board is devised to make life easier and more enjoyable.

The Gran Turismo 41 uses Air Step® technology, increasing its speed (max. 32-38knots) and stability by increasing the volume of air inflow under the hull - accelerating faster, optimising speed and reducing fuel consumption.

#### **Beneteau Gran Turismo 36**

Launched late last year, the Beneteau Gran Turismo 36 is making her show debut this September.

Fully optimised for comfort and entertaining on board, the spacious cockpit has room for up to seven passengers. There's also a cosy lounge to port with a functional galley space fitted with high quality appliances.

The forward cabin accommodates a full-sized bed and ample storage, while the aft cabin provides two extra berths separated by a door for onboard guests.

With inboard or outboard engine options, the Gran Turismo 36 can reach top speeds of between 30 and 35 knots.

### **Lagoon 50**

New from Lagoon, the Lagoon 50 has elegant exterior styling, advanced handling features and a broad choice of interior layout options.

Featuring an L-shaped lounge area, the large, comfortable open plan aft cockpit offers uninterrupted sea views and can be transformed into a fabulous dining area.

A well-equipped, yet compact galley is positioned aft of the main saloon and looks onto the elevated seating area for an enviable open-plan living space.

The raised flybridge features a spacious helm station with a centre steering wheel, and a large sundeck behind. The central mast is positioned further aft to help reduce pitching and the tall, high aspect mainsail provides excellent performance, with short-handed crews benefiting from the self-tacking headsail and short and easy-to-reef boom.

These four yachts are just the beginning of a stunning showcase of power and sail models being displayed by Ancasta at the Southampton International Boat Show.

Also, on show will be:

**Beneteau Sail** - Oceanis 30.1, 38.1, 40.1, 46.1 and 51.1.

**Beneteau Power** - Gran Turismo 32, Swift Trawler 35 and 41

**Lagoon Catamarans** - 42 (450 and 46 will be on available to view at nearby Ocean Village Marina)

**Prestige Motor Yachts** - 420F, 460F, 520F, 590F
