## WEST SYSTEM and PRO-SET to team up again for the RYA Dinghy Show 2022

The doors open for the [RYA Dinghy & Watersports Show](#) on 26<sup>th</sup> February, where WEST SYSTEM and PRO-SET teams will be on-hand to answer any questions, offer advice and run live epoxy demonstrations.

Pick up tips on everything boat maintenance-related, from modifications to your sailing pride and joy, blowing the cobwebs off and starting a renovation project, repairing your dinghy, starting a new build, or find out what products you should have with you at race events to keep you on the water. Our experts will be there to answer your questions.

The [WEST SYSTEM®](#) Technical Team will be running a series of live epoxy demonstrations on stand F60 at the RYA Dinghy & Watersports Show, focussing on the Mini Pack.

The Mini Pack is a one-stop-pack for small repair jobs, and includes resin, hardeners, two fillers, gloves and more. This demonstration will explore how the contents can be used to effect repairs and explores techniques for fileting, bonding and the use of glass reinforcement.

Demos are daily at 12pm and 2.30pm on the Wessex Resins & Adhesives stand (F60) – no need to book, just turn up and learn:

- Best protective practices
- Correct measures for best results
- How to extend the application window
- To effectively use peel ply
- Damage repair techniques

WEST SYSTEM and PRO-SET products are market-leading in the marine industry and trusted by both professional boat builders and home project hobbyists worldwide.

There's still time to [grab your tickets](#) and head over to Stand F60 at the RYA Dinghy and Watersports Show 2022. We look forward to seeing you there!

**ENDS**

## Notes to Editors:

- Wessex Resins and Adhesives manufactures WEST SYSTEM, PRO-SET and ENTROPY epoxy products in the UK under license from Gougeon Brothers Inc., and distributes these leading brands across the whole of Europe, Africa and the Middle East via a well- respected distribution network.
- Wessex Resins and Adhesives provides international support for the world-renowned WEST SYSTEM, PRO-SET and ENTROPY epoxy brands.
- Since Michigan boatbuilding brothers Meade, Joel and Jan Gougeon first experimented with the bonding power of epoxy over 50 years ago, the WEST SYSTEM® and PRO-SET® product ranges have become the epoxies of choice for private boat owners, boat manufacturers, chandlers and naval engineers throughout the world.
- West System International (WSI) has been working in partnership with Gougeon Brothers, Inc. for more than 36 years, manufacturing WEST SYSTEM, PRO-SET and ENTROPY epoxies here in the UK.
- Whether an epoxy is needed for laminating, bonding, coating, tooling or infusion, the combined breadth of WEST SYSTEM, PRO-SET and ENTROPY products will provide the solution. West System and PRO-SET have passed extensive quality testing. They are certified by Lloyds Register and DNVL.
