**Glamping accommodation now on offer at MDL's Mercury Yacht Harbour
and Holiday Park**

Expanding its self-catering accommodation options, MDL Marinas' Mercury Yacht Harbour and Holiday Park has added four brand new bell tents into its already comprehensive range of accommodation.

Comprising one double and two single beds, each new 'glamping' tent is designed to host four people in luxury under canvas. This new style accommodation is available to book from May to September each year, complementing the existing camping/touring, floating lodge and static caravan accommodation already available on site.

"We're delighted to now be able to offer bell tents as an alternative self-catering option for our guests enjoying a staycation here in the UK," says Colin Jefferies, Assistant Manager at MDL's Mercury Yacht Harbour and Holiday Park.

"Our new 'glamping' facilities are ideal for anyone who loves the idea of camping, but prefers a more luxurious experience while on holiday, or boaters who don't have enough berths to accommodate everyone overnight. Situated amongst the green fields on the edge of the picturesque River Hamble, Mercury Yacht Harbour and Holiday Park, with its clean, high-quality facilities offers a comfortable, scenic and peaceful holiday destination.

"The adjoining marina with its bar and restaurant is only a two-minute walk away and Hamble village, with its great choice of pubs, is just a mile's walk or a short drive. There's so much to see and do in Hamble and the surrounding area and the park is ideally situated for enjoying the many attractions."

Each tent is also equipped with a carpet, interior lighting and power supply, a single induction electric cooking hob, kettle and cooking utensils as well as crockery and cutlery for four people.

In addition, there's a cool box with ice block which can be changed daily at the park office, ensuring drinks and refreshments are kept cool and ready following a day out exploring, and outside there is a picnic bench and barbeque to enjoy alfresco dining.
