### **Ancasta shores up full-service support for multihull owners**

In response to a boom in multihull sales over recent years, Ancasta International Boat Sales is reinforcing its extensive multihull brokerage services to provide a turnkey service for multihull owners.

From buying a multihull for the first time, and commissioning a new build, to regular servicing, maintenance or repairs, and selling or trading in for a newer or larger model, Ancasta provides all of the services a multihull owner needs to maximise their time on the water with minimum fuss, for the lifetime of their multihull ownership.

#### **Proven Multihull Expertise**

As an award-winning dealer for leading multihull brands, including Lagoon, Prestige, Bluegame and McConaghy, Ancasta has been delivering exceptional buying and selling multihull brokerage services - new and used - for over 20 years. Furthermore, the company has processed over £57 million of multihull sales in the past decade, which is a testament to its expertise in the multihull market.

#### **Specialist Multihull Brokerage**

For vendors, Ancasta's specialist multihull brokers facilitate the entire sales process from start to finish. From organising photography, placing adverts, setting accurate pricing and approaching active buyers to processing paperwork and transferring titles, they have the knowledge and experience to handle everything for multihull vendors. Plus, Ancasta's vast marketing network of 20 European offices, an extensive database of active buyers, and international online partners provides vendors with global exposure.

Ancasta is currently experiencing an unprecedented demand for multihulls from active buyers, so owners who are considering selling are encouraged to contact Ancasta for a no-obligation, free valuation.

#### **Fuss-free Multihull Ownership**

For multihull buyers and owners, Ancasta offers a variety of finance and ownership options, including multihull-specific funding, charter programmes and shared ownership syndicates. The Ancasta Group also provides turnkey servicing, maintenance, and refit services through Ancasta Yacht Services. With a team of highly skilled craftspeople and excellent facilities in Hamble, AYS supports owners with everything they need to keep their multihull running smoothly.

## Multihull Knowledge

And if all that wasn't enough, Ancasta has recently launched a dedicated online multihull hub - [ancasta.com/multihulls](http://ancasta.com/multihulls) - which provides multihull fans with all of the latest multihull news, boat shows and events, multihull cruising guides and how-to articles.
