The 29 metre Sanlorenzo SD96 *Sahasa* has been listed for sale with Nick Hatfield of Sanlorenzo Yachts UK.

An immaculate example of the highly popular semi-displacement model from Sanlorenzo, *Sahasa* is listed with a high degree of specification and wants for nothing.

At a voluminous 180GT, *Sahasa* can accommodate 10 guests across five cabins, which consist of an owner's suite on the main deck, two VIP staterooms, and two additional guest staterooms. The yacht can also accommodate five crew members, including a separate captain's cabin.

Boasting a modern, minimalist interior with mellow coastal influences conceived by both the owner and the shipyard's design team, *Sahasa* also features an array of exterior spaces including the large seating/sunbathing area on the upper bow lounge and the spacious flybridge that connects seamlessly to the sky lounge.

In terms of performance, *Sahasa* is powered by twin CAT C18-1150HP giving her a very economical cruising speed of 14 knots and a maximum speed of 17 knots.

*Sahasa* is listed for sale at €9,300,000.
