Small Packs, Big Solutions: Practical WEST SYSTEM demonstrations from experts at this year's RYA Dinghy & Watersports Show 2024

Recognised for its marine epoxy solutions, WEST SYSTEM® has been a staple in marine epoxy solutions for over five decades and will feature at the upcoming RYA Dinghy & Watersports Show.

Scheduled for 24-25 February 2024 at Farnborough International, the premier sailing and watersports event promises dynamic displays, showcasing boats, and featuring prominent figures in the marine retail industry.

Attendees at stand M34 can explore the transformative potential of WEST SYSTEM Epoxy repair pack range, catering to boat owners, hobbyists, and wooden boat enthusiasts.

Wessex Resins and Adhesives, manufactures WEST SYSTEM, PRO-SET® and ENTROPY RESINS®, under the license of Gougeon Brothers Inc, is ready to support dinghy sailors in overcoming seasonal challenges and provide technical expertise for customers working on wooden boat builds/repairs. Explore the unparalleled convenience and performance of our WEST SYSTEM Mini packs at stand M34, designed for wooden or GRP boat owners.

The Mini Pack is a compact and all-inclusive kit tailored for small repair jobs. It provides convenient and effective solutions for overnight fixes and contains all the essentials to make those all-important small repairs.

The Fibreglass Boat Repair Kit (105-K), an integral part of the WEST SYSTEM small repair range, includes the fundamental essentials to provide fibreglass repairs, offering effective solutions for quick turnaround fixes.

Participate in an exclusive daily masterclass at 12:00 and 14:30, where our WEST SYSTEM experts will dive into the comprehensive potential of the WEST SYSTEM Mini Pack. This will cover basic use, personal protection when using epoxy adding fillers, GRP repair, use of glass fibre and epoxy. Specifically designed for quick repairs and showcasing novel techniques, this session promises practical insights for boating enthusiasts.

"It is an outstanding event that we eagerly anticipate each year," says Sam Oliver Wessex Resins' Operations Director. "With a longstanding attendance record spanning over 15 years at the RYA Dinghy Show, we continue to appreciate the excellent opportunity it provides for meaningful, face-to-face interactions. This includes engagement with our diverse customer base, whether big, small, or end-users."

The team will be available to provide expert advice on common challenges faced in boat building. If addressing minor repairs or guiding through nuanced product applications, our team is ready to support your marine projects.

Visit Wessex Resins and Adhesives at stand M34 during the RYA Dinghy Show or explore wessexresins.co.uk for more information.
