The 34-metre Sanlorenzo SD112 Zulu3 has been listed for sale with Nick Hatfield of Sanlorenzo Yachts UK.

Built in 2017 by Sanlorenzo, Zulu3 is an impressive example of this popular model from the Italian shipyard's highly successful semi-displacement series. Listed with a high degree of specification, Zulu3 wants for nothing and is ready for cruising in the Mediterranean this summer.

"Having viewed many yachts over the years, it's rare to step onboard a yacht and believe it is much younger than the build year," says Nick. "But Zulu3 is indeed such a yacht. She is only in her second ownership, having been purchased by her current owner in 2018, and is extremely impressive from her overall condition to her maintenance and specification."

With a generous volume of 266GT, Zulu3 can accommodate eight guests across four beautifully appointed cabins, which consist of an owner's suite on the main deck, and a VIP stateroom, and two additional guest cabins on the lower deck.

Each cabin boasts large double beds, ample wardrobe space and storage, a Loewe television with ceiling mounted speakers, a vanity unit and an ensuite bathroom with marbled walled showers and teak slatted flooring.

This exceptional yacht can also accommodate five/six crew members in three cabins, including a separate cabin for the captain.

A light, bright, modern interior amplifies the natural light streaming in through the expansive windows, merging the indoor and outdoor spaces. With iPad-controlled blinds, lighting and audio-visual equipment, the main saloon features a bar area to port with a fridge and ice maker, while the large L-shaped sofa is complemented by glass coffee tables and two cube poufs.

Forward of the main saloon, the elegant dining area is host to a sizable glass dining table with seating for 10. This attractive space is augmented by an exquisite forward bulkhead in silk georgette marble with a central lit area ready for a favourite piece of art.

Accessed via an internal stairwell from the main deck lobby or external stairs from the cockpit, the upper deck saloon and exterior areas enhance the spacious onboard entertainment areas where guests can enjoy an additional fully equipped bar, dining, sunbathing and relaxation areas. Elsewhere, key highlights include a hardtop covered bar area on the flybridge with four stools, fridge and icemaker, and an Aquasol Jacuzzi with surround seating and chaise longues to port and starboard.

To enhance the on-water experience for all onboard, this Zulu3 comes complete with a comprehensive collection of water toys and onboard entertainment, including a Williams 445 diesel jet tender, Seabobs, inflatable SUPs, an inflatable chair and a Nautibouy Party Bana inflatable platform.

“Extremely well specified at build, a specification which has only been added to during this ownership, this incredible yacht is ready for her new owner to explore far and wide,” continues Nick. “And, as the current owner is now taking a break from yachting, all bedding, towels, tableware, and spares are included with the sale of the yacht, making it a turnkey solution to cruising this summer.”

In terms of performance, Zulu3 is powered by twin MTU 10V2000 M72 - 1224HP engines giving her a cruising speed of 12 knots, a maximum speed of 16 knots, and an economical cruising speed of 10 knots.

Lying in Corfu, Zulu3 is listed for sale at €7,750,000 VAT paid, with the option for the crew to continue with the new owner.
