

## News Release

### For Immediate Release

12 July 2024

#### **Official dates announced for MDL's South Coast & Green Tech Boat Show 2025**

MDL Marinas is thrilled to announce its official dates for the 2025 South Coast & Green Tech Boat Show. This popular event will take place at MDL's flagship Ocean Village Marina in Southampton from 9 to 11 May 2025.

The dates have been carefully chosen to coincide with the (hopefully!) warmer spring weather and to avoid clashes with other boat shows.

"Following consultation with our exhibitors, we've decided to hold next year's South Coast & Green Tech Boat Show in late Spring," says Tim Mayer, MDL's Sales and Marketing Director. "This timing will be advantageous to exhibitors, who can showcase their boats and products at a more agreeable time of year.

"Visitors will enjoy browsing some of the world's leading boating brands in warmer weather, as well as discovering a wide range of marine-related gear and products."

The South Coast & Green Tech Boat Show features the marine industry's most exciting and renowned boating brands, along with an extensive range of electric boats and innovative technologies. The show presents a great opportunity for serious buyers to compare and contrast different models.

"We are aiming for the 2025 show to be our biggest and best yet, featuring a truly diverse range of boats," Mayer continues. "From small inflatable tenders to large aluminium explorer yachts, as well as an even greater variety of electric propulsion models and innovative technology supporting greener and more sustainable boating."

Ocean Village Marina, located in the heart of Southampton, provides an ideal venue for a boat show with its state-of-the-art facilities, excellent transport links, and numerous restaurants and bars.

Companies interested in exhibiting at the 2025 South Coast & Green Tech Boat Show should contact Tim Mayer at [T.Mayer@mdlmarinas.co.uk](mailto:T.Mayer@mdlmarinas.co.uk)
