

N e w s R e l e a s e**For immediate release****30 September 2024****McConaghy and Ancasta announce exclusive viewing of the MC75 at the Superyacht Regatta in Barcelona Oct 4-6**

McConaghy Boats and Ancasta are excited to announce their sponsorship of the 2024 Superyacht Regatta, hosted by BWA at the prestigious Real Club Nautico de Barcelona from October 4th to 6th. This prestigious event will be the perfect setting for private viewings of the impressive McConaghy MC75 performance-luxury catamaran.

The Superyacht Regatta is a key event in the global yachting calendar, attracting some of the world's most passionate yacht owners and enthusiasts. In 2024, McConaghy Boats, known for producing some of the fastest and most advanced sailing and power vessels, including the AC40 and the hydrogen-powered Chase Zero boats for the 37th America's Cup, will offer an exclusive opportunity to view one of the latest models in the range, the MC75.

Mark Evans, CEO of McConaghy Boats, comments: "We are thrilled to showcase the MC75 for the first time at this world-class regatta. McConaghy's pursuit of innovation and excellence is reflected in this yacht's unparalleled performance and design."

Nick Griffith, CEO of Ancasta, adds: "We're proud to partner with McConaghy in bringing the MC75 to the forefront at this event. The MC75 represents the pinnacle of multihull performance and luxury, and we look forward to welcoming clients for private viewings during the regatta."

To arrange a private viewing of the MC75 at Real Club Nautico Barcelona from Oct 4th - 6th, please contact: McConaghy@ancasta.com

About McConaghy Boats

Founded in 1967, McConaghy Boats is a global leader in high-performance yacht building, renowned for delivering some of the most successful superyachts and maxi yachts in the sailing world. With 80 podium finishes at the Rolex Sydney to Hobart Yacht Race, McConaghy has eclipsed all other manufacturers. In partnership with Emirates Team New Zealand, McConaghy is the exclusive builder of the AC40 foiling yachts and the hydrogen-powered Chase Zero boat for the 37th America's Cup. The company's range of custom and semi-custom power and sailing catamarans, spanning from 55 to 131 feet, combines performance with exceptional craftsmanship.

About Ancasta

As one of Europe's largest and most respected yacht brokers, Ancasta represents leading-edge multihulls, powerboats, and performance yachts. With over 35 years of experience, Ancasta offers clients a range of services, including sales, brokerage, and support across Europe and beyond. Ancasta is also the exclusive European dealer for McConaghy multihulls, ensuring that these cutting-edge vessels are brought to a discerning clientele.
