16 December 2024

Tickets now available for the South Coast & Green Tech Boat Show 2025 guided by Raymarine

MDL Marinas is thrilled to announce that tickets are now available to book for its popular South Coast & Green Tech Boat Show, taking place at the iconic Ocean Village Marina in Southampton between 9-11 May 2025.

Renowned for showcasing the best in power, sail and electric brands, as well as groundbreaking green technology, next year's show promises to be bigger and better than ever with an extended waterside area. Visitors will enjoy an unparalleled opportunity to explore an exciting line-up of global brands and innovative products, all in one iconic waterfront location.

One of the show's highlights is the popular Innovation Hub, which will feature engaging talks and discussions on topics ranging from cutting-edge sustainability initiatives to innovative ocean preservation strategies. Attendees can look forward to an expert-led panel discussion with live Q&A sessions, making the hub an unmissable part of the event.

Returning for 2025, MDL's Green Innovator Award is open for nominations. The award's purpose is to distinguish products and services that are pioneering in sustainability, innovation and design. It is aimed at projects from both start-ups and established companies, and highlights suppliers who are making a special effort towards environmentally sustainable practices and product development.

Nominations are now open to all companies exhibiting at the South Coast & Green Tech Boat Show, as well as other businesses or organisations that have shown initiative in reducing their environmental impact. Vote now at www.mdlmarinas.co.uk/green-award/

Throughout the three-day show, visitors can experience hands-on demonstrations of cutting-edge products from world-renowned brands. On-water exhibitors already confirmed include global names such as Axopar, Bavaria, Beneteau, Candela, Dufour, Fairline, Finnmaster, Hanse, Jeanneau, Lagoon, Nautitech, Protector and Sunseeker.

Land exhibitors will include leading companies such as B&G, BHG Marine, Cockwells, Elite-Teak, JDk Marine, Lowrance, Raymarine UK and Vetus.

Whether you're a seasoned boating enthusiast or new to the marine world, the South Coast & Green Tech Boat Show, guided by Raymarine, offers a unique chance to explore the latest innovations and connect with industry leaders.

"The South Coast & Green Tech Boat Show continues to set the benchmark for innovation and sustainability in the marine industry," says Tim Mayer, Sales and Marketing Director, MDL Marinas. "With a stellar lineup of global brands and groundbreaking technologies, the 2025 show promises to inspire, educate and excite boating enthusiasts. We can't wait to welcome visitors to Ocean Village Marina this May to experience all that this remarkable event has to offer."

Tickets to the South Coast & Green Tech Boat Show are free. Plan ahead and secure yours now for quick and easy entry: www.mdlmarinas.co.uk/boat-show-tickets. Appointments to view specific boats or meet with the individual exhibitors can also be arranged via a booking portal on the website.

Companies interested in exhibiting at the show should not delay in contacting Tim Mayer via t.mayer@mdlmarinas.co.uk. An up-to-date list of confirmed exhibitors, along with more information on the show, is available on the website: www.mdlboatshow.co.uk.
