### **Delta 33 Coupé to be unveiled at South Coast & Green Tech Boat Show 2025**

The eagerly anticipated South Coast & Green Tech Boat Show 2025, guided by Raymarine, will showcase the UK debut of the high-performance Delta 33 Coupé at MDL's flagship Ocean Village Marina in Southampton from 9-11 May 2025.

Exhibited by SE Yachts, the Delta 33 Coupé by Delta Powerboats is a state-of-the-art cabin cruiser that has been developed in collaboration with Swedish naval architect Ted Mannerfelt. This latest model combines modern design trends with advanced technologies and efficient hydrodynamics to deliver an exceptional boating experience.

The Delta 33 Coupé is a versatile vessel, ideal for both day cruising and family holidays. With a length of 10.95m (36ft) and an impressive top speed of over 40 knots, this fuel-efficient and responsive motorboat is designed for those who demand both performance and luxury.

Featuring a twin-stepped, air-supported deep v-hull, the Delta 33 Coupé provides class-leading fuel economy, reducing drag and offering a smooth, exhilarating ride. The interior is beautifully crafted, with exceptional visibility, high-end finishes and innovative features that cater to the needs of modern-day sailors.

The yacht accommodates up to four people in two cabins, making it the perfect choice for both short trips and extended stays on the water. Additionally, the Delta 33 Coupé features a full-size convertible sunroof, unique for its size, ensuring that the beauty of the sea can always be enjoyed in comfort.

“We are thrilled to host the UK premiere of the Delta 33 Coupé at the South Coast & Green Tech Boat Show,” says Tim Mayer, Sales & Marketing Director at MDL Marinas. “This impressive vessel is testament to the innovation and craftsmanship that Delta is renowned for, and we’re proud to provide our visitors with the opportunity to experience it firsthand. It’s a perfect addition to the outstanding line-up of yachts we offer at the show.”

## Additional exhibits from SE Yachts

Known for representing some of the finest yachts in the world, SE Yachts will also be showcasing two additional models at the show: the Arcona 435 Mk II and the Arcona 385. These Swedish-designed yachts are synonymous with performance, style and luxury.

“We believe that the South Coast & Green Tech Boat Show is the perfect platform to host the UK premiere of the Delta 33 Coupé,” says Alasdair Marshall, Director of SE Yachts. “This model represents cutting-edge powerboat design, and we’re proud to bring it to the UK for the first time.”

To book an appointment to view the Delta 33 Coupé or any of the other boats on display, please visit [www.mdlboatshow.co.uk](http://www.mdlboatshow.co.uk). Entry to the show is free, and tickets can be booked at [www.mdlmarinas.co.uk/boat-show-tickets/](http://www.mdlmarinas.co.uk/boat-show-tickets/).
