Win prizes worth over £10,000 at the South Coast & Green Tech Boat Show 2025

Boating enthusiasts have even more reason to attend the South Coast & Green Tech Boat Show 2025, with prizes worth over £10,000 up for grabs. Visitors who register for free tickets will automatically be entered into a prize draw, with the chance to win cutting-edge marine electronics from Raymarine, the show's main sponsor.

Taking place at MDL's flagship Ocean Village Marina between 9-11 May 2025, the show is set to be a highlight of the boating calendar.

Raymarine, a world leader in high-performance marine electronics, is generously providing the following prizes to lucky winners:

First prize – Premium Raymarine package worth **£7,165**, including:

- **Axiom2 Pro 12" RVM Chartplotter**
- **Quantum Q24D Doppler Radar with 15m Power and Data Cable**

Second prize – Cutting-edge **Axiom+ 9 RV Chartplotter**, valued at **£1,695**.

Ten runners-up – Each will receive a **Raymarine LightHouse Chart** (preloaded with Western Europe charts) worth **£195**.

All registered visitors to the South Coast & Green Tech Boat Show will automatically be entered into Raymarine's prize draw with a chance to win one of the highly coveted prizes.* The first name drawn will win the first prize, followed by the second prize winner, with the next ten names each securing a runner-up prize.

"MDL's South Coast & Green Tech Boat Show, guided by Raymarine, is a firm favourite for visitors, boat dealers and shore-side exhibitors alike," says Richard Marsden, UK Sales Manager at Raymarine. "Lots of boats, a friendly atmosphere on shore and tech talks by industry experts make this the event of the Spring."

Tim Mayer, Sales and Marketing Director at MDL Marinas, adds: “We’re delighted to once again partner with Raymarine to offer our visitors a chance to win these outstanding prizes. This year’s show is set to be our biggest yet, with an incredible line-up of boats, exhibitors and industry-leading experts sharing the latest in marine technology and sustainable innovation.”

The South Coast & Green Tech Boat Show 2025

Set against the spectacular backdrop of Ocean Village Marina, the South Coast & Green Tech Boat Show 2025 will showcase an impressive range of vessels, from luxurious yachts to innovative electric boats and green marine technologies.

The event will once again feature the Innovation Hub, a platform for insightful talks on sustainability and ocean preservation. Industry leaders will deliver expert-led panel discussions, including Raymarine’s own Paul Childs who will be presenting their Dame award-winning Alpha performance displays and Smart Wind transducer (RSW).

Visitors can look forward to live demonstrations from leading marine brands, engaging tech talks and a lively atmosphere. The event will also feature delicious local food from Earth to Oven and craft beers from Renegade Brewery, including MDL’s very own Nauti Buoy on draft.

“We’re thrilled to bring this event to life once again, offering visitors a chance to experience the very best in the marine industry,” says Mayer. “With an incredible selection of boats, innovative tech and an exciting prize giveaway from Raymarine, this is an unmissable event for those looking to invest in their next boat.”

Boat Buyers can secure dedicated time with the broker of their choice to view specific boats through pre-arranged appointments at www.mdlmarinas.co.uk/south-coast-virtual-boat-show/exhibitors/.
